SGS NEW TESTAMENT BIBLE READING

NOVEMBER 2025 – THIRTY-THIRD EDITION

Good day, Friends!

You're welcome once again to today's training. This is the FIFTH INSTALMENT.

We want to appreciate everyone who has been praying and leaving a good word for us. Thank you very much. God bless you richly. And to all who have been following, God bless you also in Jesus Name.

We have two powerful lessons for today:

LESSON 7: NOT FOR SHOW, NOT FOR FAVOUR

Our purpose for gathering people is not so that they can brandish their medals and show off how they read up their Bibles. If that is why you are here, change your thinking. Some of our participants have joined the reading over and over and over because they understood the benefits of the Word of God.

Perhaps you also joined this Bible Reading because you want to earn God's favour or love. Think again! God's Love for us is not dependent on what we do. When we were at our worst, He loved us, gave us Himself and died for us. It is an offence to the cross if you try to earn God's acceptance and love through something that you do. If you are His child, He loves you not because of what you do but because of who you are; not because you are loving but because He is love. *John 3:16 says it all. "God so loved the world" not "God so loved the lovely"*

Are you also here still living in your sins or you have not yet accepted the Life of Christ? Or did you commit grievous sins and hope that God will forgive you if you read your Bible like this? Do you think reading your Bible in some way will make God overlook your sins or wrong? Stop that!!!! You cannot do Penance for your sins. Receive the free gift of salvation through faith for the remission of your sins, then come and follow Jesus.

Reading your Bible and living in sin can deceive your heart. GO TO THE CROSS.

Forgiveness and remission of sins are received by repentance and faith in the Son of God who is Christ Jesus. Don't try to earn it through good works.

TODAY IS THE DAY OF SALVATION!

If you are in this category, today is the day of salvation. Do not wait till tomorrow. Do not wait till the next church service. If you are truly ready to repent and be saved, the arms of our Lord Jesus Christ are wide open to receive you. Believe me, no matter how bad your sins may be, even if they are as red as Scarlet, they will be white as snow.

- Why not cry to the Lord Jesus now? Tell Him that you are ready to turn away from your ways and your sins.
- Tell Him that you believe that He is the Lord Jesus Christ, the Son of the living God, ordained only to save you and all who believe from sins.
- Ask Him to come and make your heart a home. Ask Him to give you a new heart and a new spirit. Ask His Spirit to come into your heart.
- Thank Him because it is done in Jesus' name. Hallelujah!

If you prayed that simple prayer from your heart, we believe that you are born again.

Speak to your Team Leader so that he or she can help you reach our counselling team. We have something special for you to help you along the way. We look forward to hearing from you.

TO OTHERS WE SAY: READ YOUR BIBLE BECAUSE YOU LOVE GOD.

If you are a child of God, you have the capacity to read your Bible because you love God and want to know Him through His Word. Not for show, nor for pride, not for penance nor for favour. We love Him because he first loved us. *1 John 4:19*

We must be wholehearted Followers of Christ. He must be our end, not a means to our selfish ends.

LESSON 8: SUPERNATURAL & MIRACULOUS EXPERIENCES

We have had several editions of this NT Bible reading by the grace of God.

During the first three editions, we had a few testimonies of miracles and healings. However, in our fourth edition, God began to grant our participants several supernatural experiences massively. The healings and miracles multiplied geometrically. **Many saw visions, many received healing, and others were supernaturally delivered. Some got what they had been praying for and all kinds of testimonies.**

Brethren, God is in the midst of His people to confirm His Word with signs and wonders. There are so many testimonies in their thousands that we have not been able to read as we speak. But a few have been selected so that your faith may stand in the power of God and not in your strength.

Do well to check out the Telegram channel, we are sure that your life will not remain the same after reading those testimonies.

Check testimonies and words of encouragement from some of those who participated like you from the last edition:

Read them and boost your faith. Many women received their long-awaited conception, and many got healed and had different kinds of miracles. Friends, God is about to give you an encounter. Only believe.

During a particular edition, people were getting new jobs in nearly every team. Even after the reading, there were still people who sent in their testimonies of

getting their dream jobs. In another edition, it was the restoration of spiritual gifts that were in a massive release.

As you also participate in this edition, do it spiritually, do it by faith.

The experiences may not be the same, but every single one of us can be touched by God in some way: we strongly believe this. Hence, position yourself and get ready to be touched by God.

DO NOT FORGET, we are here primarily for a spiritual encounter and spiritual growth. **We didn't bargain for supernatural experiences or miracles. They came with the "Seeking-God Package".**

Ensure that your heart is rightly positioned to seek God's face and not His hand. Yes, we have said that you should not try to earn His favour, but God is faithful. **As you seek Him first, He promised to make every other thing that you need to run after you. Matthew 6:33.** That's exactly our experience and that will be yours in Jesus' name.

PLEASE, TREAT OUR LEADERS WITH RESPECT

Many people can't understand why someone would call them and care about them for no selfish reason. But that is what God has called us to do. Many insult our leaders, call them scammers and all sorts of names.

SGS IS A ZEAL OF THE LORD. WE ARE NOT HERE TO TAKE FROM YOU. RATHER, WE ARE HERE TO BE A BLESSING TO YOU. WHEN WE ARE DONE SETTING YOU ON FIRE THIS MONTH, WE WILL RELEASE YOU TO BURN FOR JESUS AND INVITE OTHERS.

Do not suppose that our team leaders reaching you are doing so because they are jobless. Many of them are highly placed busy people who have chosen to make sacrifices so that they can be a blessing to you. We beseech you by the mercies of God that you cooperate and make their work easy. They are here to labour over you selflessly. Please, encourage them, and may God honour you in return in Jesus' name.

HAVE YOU JOINED YOUR TEAM GROUP? By now, we expect everyone to have settled into their team subgroups. If not, reach out to the number provided in the group.

Let us pray!!!

Faithful God, we thank You for giving us eyes to see this day. Precious Lord we ask that of all that You have given us, we will lose none. There is nothing oh God that You cannot do. We believe this with all our hearts.

Thank You Father. Your Word says if we seek You, all other things will follow us. May that be our testimony this month. Open again the windows of heaven over us this edition and pour us overflowing blessings. As your Children seek you wholeheartedly, let those close doors they have knocked for years, open of their own accord. Let the things they seek begin to seek them. Thank you because you always hear us.

God bless you richly and have a blessed day.
